

Position Description

Position (Area): General Labourer (Plant)

Employment Type: Full-Time

DECAST is the largest manufacturing facility for infrastructure products in Canada, including water transmission, bridges, storm and sanitary, tunnelling and engineered precast products. We are looking for an energetic team player to join our organization as a General Labourer.

Reporting to the Production Supervisor, your attention to detail combined with strong work ethic will support the various functions within your team.

Duties & Responsibilities

- General repairs and minor assembly for concrete form preparation
- Minor finish of concrete pieces
- Inspection and report on repairs and finishing
- Maintenance, cleanliness and finalizing concrete pieces
- Repair of packers, gaskets and concrete segments

Education & Experience

- High School or equivalent
- Ability to work independently with minimal supervision
- Detail oriented and willing to complete hands-on concrete work
- Safety focused
- Good math skills
- Construction and/or manufacturing experience is an asset but not required

Working at DECAST

We offer competitive compensation and benefits as well as the opportunity for growth on a safety-committed team within an exciting working environment. If you are interested in joining the DECAST team, please apply with your resume and cover letter to careers@decastltd.com. We thank all applicants for their interest however only those who are chosen will be contacted for an interview.

DECAST is committed to providing accommodations for people with disabilities. Should you require accommodations please contact Carrie Creamer, EHS/HR Administrator at (705) 734-2892
