Updates to Cafeteria Procedures

In response to recent announcements by the Ontario government regarding restaurants and food preparation, DECAST Ltd is taking the following steps in order to comply with these recommendations:

- All meals will be individually packaged and distributed to employees including disposable cutlery and cups.

In keeping in line with social distancing guidelines, we will be limiting the number of persons who can sit at each table to 3 with an overall limit of 35 people eating in the cafeteria at a given time. Where possible, please take your lunch back to your workstation / office.

As the situation continues to evolve, we will communicate any changes to current work practices or recommended precautionary measures.

Sincerely,

Jim Tully
Executive Vice President
