

## Healthcare Resource – Nurse at DECAST

Our primary focus at DECAST is the health and well-being of employees and their families. As the COVID-19 situation continues to evolve, we have decided to hire a nurse to assist in the implementation of best practices established by Health Canada, Simcoe Muskoka District Health Unit, World Health Organization (WHO) and other credible organizations.

Lorrie Good has been a registered practical nurse for over 35 years in Northern and Central Ontario. Lorrie has worked in many different departments including; General Medicine, Cardiology, Dermatology, Internal Medicine and Emergency.

**Starting Tuesday March 24<sup>th</sup>, Lorrie will be stationed in the First Aid Room where;**

1. All employees working onsite will visit before the start of every shift
2. Standard screening questions will be asked (recent travel, health status, etc.)
3. Temperature will be taken
4. COVID-19 status updates and answers can be provided
